# INTRODUCTION

.....

Welcome to The University of North Carolina Charlotte Online Employment Application System. The Human Resources department has implemented this system in order to automate many of the paper-driven aspects of the employment application process.

You will use this system to:

- Create and submit Requisitions to HR
- View Applicants to your Requisitions
- Notify HR of your decisions regarding the status of each applicant

The system is designed to benefit you by facilitating:

- Faster processing of employment information
- Up-to-date access to information regarding all of your Requisitions
- More detailed screening of Applicants' qualifications – before they reach the interview stage

The HR department has provided these training materials to assist with your understanding and use of this system.

## Your Web Browser

The Employment Application System is designed to run in a web browser over the Internet. The system supports browser versions of Netscape 4.7 and above and Internet Explorer 4.0 and above. However some of the older browser versions are less powerful than newer versions, so the appearance of certain screens and printed documents may be slightly askew. Please notify the system administrator of any significant issues that arise.

The site also requires you to have Adobe Acrobat Reader installed. This is a free download available at [www.Adobe.com](http://www.Adobe.com).

It is recommended that you do not use your browser's "Back", "Forward" or "Refresh" buttons to navigate the site, or open a new browser window from your existing window. This may cause unexpected results, including loss of data or being logged out of the system. Please use the navigational buttons within the site.

The site is best viewed in Internet Explorer 5.5 and above.

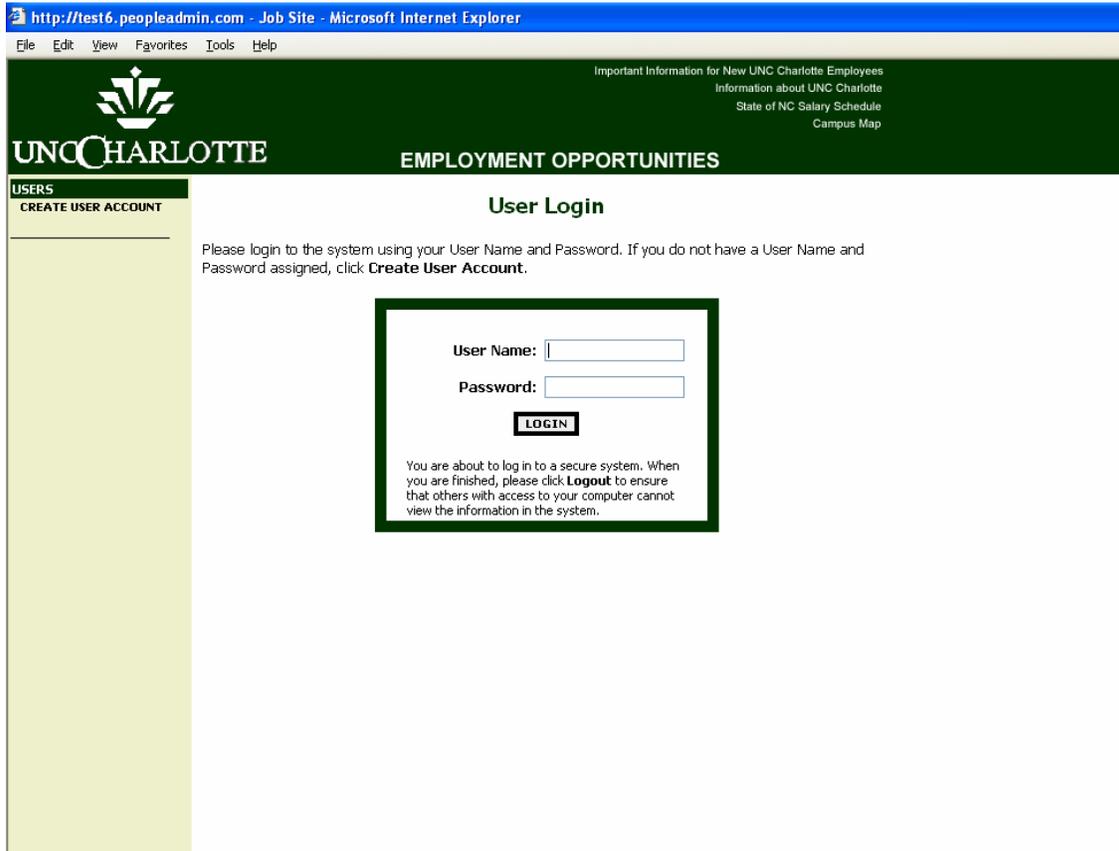

## Security of Applicant Data

To ensure the security of the data provided by applicants, **the system will automatically log you out after 60 minutes if it detects no activity.** However, anytime you leave your computer we strongly recommend that you save any work in progress and Logout of the system by clicking on the logout link located on the bottom left side of your screen.

# GETTING STARTED

.....

After entering the URL, the "login screen" for the system will appear and should be similar to the following screen:

Before you may enter the site, you must create your own account by clicking on the "**Create User Account**" link on the left side of the screen. After you click this link, the following screen will appear:

# CREATING A REQUISITION

To create a Requisition, begin by clicking a link under the header "Create Job Posting". Your options are:

- From a Template (where several fields are predefined)
- From a Previous Posting

## Entering Requisition Information

In the following example, the "Create from a Template" option was selected. After searching for and clicking on the template you want to use, you should see a screen similar to the following:

The screenshot displays the UNC Charlotte Employment Opportunities web application. The header includes the UNC Charlotte logo and navigation links for 'Important Information for New UNC Charlotte Employees', 'Information about UNC Charlotte', 'State of NC Salary Schedule', and 'Campus Map'. The main navigation menu on the left lists 'JOB POSTINGS' (VIEW ACTIVE, VIEW PENDING, VIEW HISTORICAL, CREATE VACANCY NOTICE FROM TEMPLATE, FROM PREVIOUS), 'ADMIN', 'HOME', 'REPORTS', 'CHANGE PASSWORD', and 'LOGOUT'. The user is logged in as 'Sample Hiring Manager' on Thursday, May 19, 2005. The current page is titled 'Create Vacancy Notice - Accountant I' and features two tabs: 'General Information' (active) and 'General Information Continued'. A 'CONTINUE TO NEXT PAGE >>' button is visible. The form contains several text boxes and dropdown menus, with asterisks indicating required fields. The 'Classification Title' is pre-filled as 'Accountant I' and the 'Salary Grade' is '72'. A red asterisk note states: '\*Required information is denoted with an asterisk.'

* Vacancy Type	<input type="text"/>
* Time-Limited Position	No Response <input type="text"/>
If Yes, Appointment Length	<input type="text"/>
Hours per week:	<input type="text"/>
Classification Title	Accountant I
Working Title	<input type="text"/>
Salary Grade	72

There are several tabs across the top of the screen. When you first enter this screen, you will be in the "Position Approval Form" tab. The data fields should approximate the information captured in your current system. Your data fields may be slightly different from those pictured due to customization.

### A few notes about this screen:

1. Fields with an Asterisk (\*) are required, so if you do not include information in the field, an error message will appear and you will be required to complete it.
2. **VERY IMPORTANT:** A Requisition is **Not Saved** until after you have completed the final step of the process by clicking Confirm on the final summary page. If you log out or click

a link on the left side before completing these steps, none of the information you have edited will be saved.

TIP: Certain fields you enter on this screen will appear on the applicant site exactly as you enter it on this screen, so please proofread carefully.

## Submitting the Requisition

After clicking the **Continue to Next Page** button from the previous screen and viewing any notes associated with the requisition, click on the **Continue to Next Page** or **View Requisition Summary** buttons. You should see a screen similar to the following. Scroll down through this screen to review the information you entered.

The screenshot shows a web browser window with the URL <http://test6.peopleadmin.com>. The page title is "EMPLOYMENT OPPORTUNITIES". The left sidebar contains a navigation menu with the following items: JOB POSTINGS, VIEW ACTIVE, VIEW PENDING, VIEW HISTORICAL, CREATE VACANCY NOTICE FROM TEMPLATE FROM PREVIOUS, ADMIN, HOME, REPORTS, CHANGE PASSWORD, and LOGOUT. The main content area displays a "View Vacancy Notice Summary - Accountant I" page. At the top, it says "Welcome Sample Hiring Manager. You are logged in." and "Thursday, May 19, 2005". Below this, it says "Please review the details of the posting carefully before continuing." and "To take the action you have specified, click **Continue**. To edit the posting, click **Edit**. To exit the posting without making any changes, click **Cancel**." There are links for "Edit" and "Printer-Friendly Version". The "Posting Status" section has two radio buttons: "HR Review Pending" (selected) and "Save w/o Submit". There are "CANCEL" and "CONTINUE" buttons. The "General Information" table is as follows:

General Information	
Vacancy Type	Permanent - Part-time
Time-Limited Position	No
If Yes, Appointment Length	
Hours per week:	
Classification Title	Accountant I
Working Title	
Salary Grade	72
Salary Range	

The last step is to select one of the choices and click the **Continue** button either at the top or the bottom of this page. After selecting your choice, click Continue to go to the confirmation page.

To filter applicants by score, enter a numeric value in the Minimum Score box, and click **Refresh**. Only applicants meeting the score entered (and higher) will be included in your results.

You may also choose to show Active Applicants, Inactive Applicants, or both. This is performed by checking the boxes next to “Active Applicants” (active Applicants are those still under review) and “Inactive Applicants” (inactive Applicants are no longer under review). Click the **Refresh** button to refresh the screen.

## Viewing and Printing Applications

To view and print a single application, click the link "View Application" under the applicant's name from the "Active Applicants" screen (the screen shown on the previous page). After clicking on this link, a screen similar to the following will appear in a new browser window. It may take a few moments for the information to load into the new window.

Select File>Print from your browser's menu to print the applications. There is a signature line at the bottom of the page for obtaining the applicant's signature, if necessary.

To close the window, click the "Close Window" link, or click the X in the upper right-hand corner of the window (this will NOT log you out of the system – it will simply return you to the list of Applicants on the "View Applicants" screen).

To view and print multiple applications at the same time, perform the following steps:

1. Check the boxes next to the corresponding Applicants whose applications you wish to print (or click the "All/None" link). These boxes are located on the right side of the page. (See top of next page.)
2. Click the **View Multiple Applications** button.
3. A new window will appear (it may take several moments to load). This window contains all the applications you selected to print.
4. Select File > Print from your browser's menu to print the application(s).

<input type="button" value="CONTINUE TO NEXT PAGE &gt;&gt;"/>	

## Viewing and Printing Documents

This process is very similar to printing applications, except the documents appear in the Adobe Acrobat Reader software. This is done to preserve the integrity of the documents' formatting, and to assist in preventing viruses from entering the system via documents attached by Applicants.

To view and print a single document (such as a resume or cover letter) that the applicant attached when applying for the Posting, click the link of the document under the column labeled "Documents" from the "Active Applicants" screen.

After clicking the link, a new window will appear (it may take several moments to load) in Adobe Acrobat Reader. This window contains the document for the applicants you selected to print. Select File>Print from the Adobe Acrobat Reader menu to print the document. To close the window, click on the "X" in the upper right corner of the window (this will NOT log you out of the system – it will simply return you to the list of applicants on the "View Posting" screen).

To view and print multiple documents at the same time, perform the following steps:

1. Check the boxes next to the corresponding applicants you wish to print (or click the "All/None" link). These boxes are located on the right side of the page.
2. Click the **View Multiple Documents** button.
3. Select File>Print from the Adobe Acrobat menu.

## Viewing an Applicant's History

While in the Active Applicants screen, you may view an applicant's history. Every time an applicant changes status (i.e. submits their application, withdraws their application, is no longer under consideration, etc.), a record is made automatically in the Notes/History section, which is viewable on this screen.

The screenshot shows a web browser window with the URL <http://test6.peopleadmin.com>. The page header includes the UNC Charlotte logo and navigation links. The main content area is titled "Applicant History" for the applicant "Pitt, Brad". A table lists the history of actions taken by the "PeopleAdmin System Account" on 05-04-2005 at 10:32 PM, 10:34 PM, and 10:35 PM. The actions include "Incomplete - Attached Application", "Incomplete - Answered Questions", "NOTE: Document Associated (Resume\_05-04-05\_21-34-46CT)", "NOTE: Document Associated (Cover Letter\_05-04-05\_21-35-19CT)", "Incomplete - Attached Documents", and "Completed Application Process".

History	Modified By

05-04-2005 10:35 PM <i>Completed Application Process</i>	PeopleAdmin System Account
05-04-2005 10:35 PM	PeopleAdmin System Account

Common History entries you may see for each applicant include:

**Incomplete – Attached Application** (indicating the applicant clicked the “Apply to this Position” button)

**Incomplete – Attached Questions** (indicating the applicant clicked the “Submit Questions” button)

**Incomplete – Attached Documents** (indicating the applicant clicked the “Finished Attaching Documents” button)

**Completed Application Process** (indicating that the applicant completed all necessary steps in applying for that position)

Others may appear, depending on your institution's hiring process.

The **Modified By** column shows you who was responsible for moving the applicant through that step. An action taken by **Template** or **System Generated** indicates that the system automatically moved the applicant to that step in the process.

Click **Return** to return to the previous screen.

## Changing the Status of Applicants

While in the Active Applicants display screen, you can change the status of Applicants as you review their applications.

To change the status of one applicant, click the “Change Status” link under the Status column in the row corresponding to the applicant (see following example).

To change the status of multiple applicants at the same time, check the box below the “All/None” column for each applicant that you wish to change (or click the “All/None” link), and then click the button labeled **Change Multiple Applicant Statuses**.
