Navigating NinerTalent Performance Module

NinerTalent is UNC Charlotte’s Human Resources Management System (HRMS) for Employees and Hiring Managers. The type of NinerTalent access you have is determined by your position and may be requested through your supervisor or the Business Officer in your college/division by filling out the NinerTalent User Group Request form. For information on getting started in NinerTalent please review the User Guides on the NinerTalent website.

The Performance module in NinerTalent is specifically used to maintain yearly performance plan and appraisal information. It can be used to find both current and past performance actions including performance plans, evaluations, approvals & acknowledgments, progress notes, etc.

Logging in and Accessing the Employee Portal

Log into NinerTalent (http://jobs.uncc.edu/hr) using your NinerNet credentials:

![Log in to NinerTalent]

Once logged in, click the ‘…’ in the left hand corner to initiate the dropdown and click ‘UNC Charlotte Employee Portal’.

![Dropdown and UNC Charlotte Employee Portal link]
Your Action Items

When you reach the UNC Charlotte Employee Portal, the first screen you will see is ‘Your Action Items’. This will be a list of items that require your attention. Note any ‘Due Date(s)’ indicated.

‘Item’ indicates the review type (Annual, Off-Cycle Review, New Employee, etc.). ‘Description’ indicates the current process step and/or required action. Select the item link that corresponds to the process step (“description”) that needs to be completed for a specific employee.

If you need to get back to ‘Your Action Items’ page click the ‘Home’ button at the top of your screen.

Once you have completed the actions in ‘Your Action Items’ they will no longer appear on this screen unless it is reopened by a Human Resources administrator or is sent back to you by the Next Level Supervisor or approver of the action.

To find action you have already completed, click ‘My Employees’ Reviews’ to access the ‘Review Dashboard’.

Searching and Dashboard

You can search for employee reviews by going to the links at the top left of your screen. Click ‘My Employees’ Reviews’ to take you to your ‘Reviews Dashboard’. Here you can see past and current performance review programs and actions documented in the NinerTalent system.

When the screen below appears, it will automatically show you the current active performance cycle programs which are open. (If you notice any discrepancies, call Ext. 7-0660 or email nt-stakes@uncc.edu) You can monitor your performance processes easily by using the colored status tabs at the top of the dashboard. You can also get a quick look at a specific process step name and owner by hovering over the colored step blocks.
The filter bar at the top of the navigation screen allows you to sort by a specific program, search for an employee, and/or group the information by supervisor, reporting unit, etc. The ‘Advanced’ filter button gives you more sort options including ‘Program Status’. By setting the ‘Program Status’ to ‘Closed’, you will be able to access past performance programs which will contain records such as performance plans and evaluations.

Select the desired employee for a particular program to access the “Overview” screen. This screen is where you will access the performance records and history.
The “Overview” screen will show you all of the performance tasks that will or have occurred this cycle. It also lists the task owner, the date the task was opened, the date the owner completed the task, and the due date of each task. The tasks for which you are the owner are in blue. Use the following key to identify the tasks status.

- Task Not Started / Unavailable
- Task Completed
- Task Open
- Task Disputed

On the left side of the screen you can access any completed or open performance actions (‘Plan’, ‘Supervisor Evaluation’, ‘Self Evaluation’), ‘Progress Notes’, and action ‘History’. Click the link to access the desired document.

You can also find your employee’s current job description by clicking the job title, under the employee’s name, in the top left corner of the screen. (See arrow)
Example: Review Employee Self-Appraisal

Use the “Searching and Dashboard” tips mentioned above (pages 5-7) to find the current performance program (i.e. 2017-2018 STAKES Review) in which the Employee Self-Appraisal is housed. Once you get to the ‘Overview’ screen, shown below, click ‘Self Evaluation’.

Note: Only the questions with an asterisk (*) were required to be answered.
Performance Management

The Performance Management module is used to: 1) Create a SHRA Performance Plan; 2) Modify an existing SHRA Performance Plan; and to 3) Complete a SHRA Appraisal.

Performance Plan Process Steps

Create SHRA Performance Plan

(Video available)

To create a SHRA Performance Plan, log into NinerTalent (http://jobs.uncc.edu/hr) using your Ninernet credentials:
Once logged in, click the ‘…’ in the left hand corner to initiate the dropdown and click ‘UNC Charlotte Employee Portal’.

![Diagram showing the navigation to the UNC Charlotte Employee Portal]

When you reach the UNC Charlotte Employee Portal, the first screen you will see is ‘Your Action Items’. This will be a list of items that require your attention. Note any ‘Due Date(s)’ indicated.

‘Item’ indicates the review type (Annual, Off-Cycle Review, New Employee, etc.). ‘Description’ indicates the current process step and/or required action. To create a new, and/or modify an existing, performance plan, select the item for the desired employee with the description ‘Performance Plan Creation’.

![Image of Your Action Items screen with circled item]

**Note!** Prior to the beginning of the new performance cycle, and you drafting the new performance plan, you should sit down with your employee to discuss the department or unit’s strategic goals for the cycle. You and your employee may be able to collaborate on what individual goals and career development goals should be included in the plan.
Once selected, the Performance Plan will appear. There are **five (5) tab sections** across the top of the Plan.

The **first tab** section is titled **“Schedule and Components”**. You will find reference information such as the approver’s workflow, the schedule, the components of the system, and the rating scale.

![Plan](image)

The **second tab** section is titled **“Institutional Goals”**. This tab is where you will enter a percentage weight for each corresponding institutional goals and any specific standards of performance if desired. You will need to provide a percentage weight (excluding the % sign) of no less than 5 for each goal, and all 5 goals (6 goals if supervisor) must add up to 50.

If you’re employee is not a supervisor – be sure to input “0” as the weight for the Supervision goal.
When you reach the bottom of the page and have completed/edited each institutional goal, you may click “Save Draft” or “Next”. Choosing the ‘Save Draft’ button will allow you to come back and complete the performance plan at a later point in time. Choosing the ‘Next’ button will move you forward to the next tab section. (Note: The ‘Next’ button will enable auto save for the work just completed).

The third tab section is titled “Individual Goals”. This is where you will enter three to five individual goals and their corresponding percentage weights (excluding the % sign). You will need to provide a weight of no less than 5 for each goal, and all the individual goals must add up to 50.

Unlike the institutional goals, individual goals are NOT intended to cover all aspects of an employees work product – these are big ticket items to be completed in this performance cycle.

You may add new individual goals, remove existing goals, or edit/replace existing goals, as necessary and/or appropriate. Please label each goal that is added. The ‘Add Entry’ button should be selected to open a new entry field.

If you decide you want to delete a goal altogether, put a check in the ‘Remove Entry?’ box under that specific goal and click ‘Save’.
The fourth tab section is the **Career Development Plan**. On this tab, you will enter/edit any Career Development activities associated with the specific employee. Career Development activities may include such items as: training workshops, technical skills training, professional certifications and/or conferences, etc. Please number each activity that is added.

Each employee should have at least one career development goal or activity each performance cycle. *(Note: Career Development activities are strongly encouraged as a ‘best practice’ and should be updated on an annual basis.)*

The supervisor and employee create the performance plan together; setting goals for the coming year.

**Career Development Activities**

The career development plan defines activities for employee growth or defines corrective actions for performance deficiencies. Development goals include training programs, committee work, conference presentations or attendance, or related activities that maintain, develop or broaden employee skills relevant to their current position and/or their career path or to their role in service to the work unit or the broader University community.

Development activities are not rated at the end of the review period, but will be reviewed for progress and future planning.

The fifth tab section is **Evaluation Methods**. On this tab, you will choose the Evaluation Method(s) you intend to use to conduct your assessment of the employee’s performance. You may choose as many evaluation methods as deemed appropriate, or necessary. *(Note: If you choose ‘Employee Self-Report’, please communicate to your employee what this expectation entails, including the schedule (weekly, monthly, quarterly, etc.) of these reports or check-ins and the expected content.)*

*(Note: If you still need to finalize some elements in the document prior to sending it to the Next-Level Supervisor for review, choose ‘Save Draft’.*

If you choose ‘Complete’ it will go to the Next-Level Supervisor for review. At this point, the Next-level supervisor may return the plan back to you for revising or approve it so you can move forward with the performance plan meeting and employee acknowledgement of the performance plan process.
If you fail to complete any of the required sections in the plan you will get the following message; the plan will remain in draft mode. The message will give a general indication as to why the process was unable to be completed. Correct these errors and click the ‘Complete’ button again to finish this task.

If your plan goes through successfully, you will see the following message at the top of your screen. And, the completed plan document will be available for you to print and/or copy via the ‘Actions’ button.

You can copy the completed performance plan to your other employees, who are in like positions, by clicking the ‘Actions’ button. This will begin the copying process.

If you would like to copy a performance plan to like positions go to the next section of this guide titled “Copy Performance Plan to Other Like Positions”. If you have already clicked the copy button as depicted below, you should start from this point in the directions below.
Copy Performance Plan to Other Like Positions

(Video available)

If you have like positions that will have the same or similar performance plans, you can use these instructions to copy an already completed performance plan (which you created for one employee) to your other direct reports.

To copy a SHRA Performance Plan, log into NinerTalent ([http://jobs.uncc.edu/hr](http://jobs.uncc.edu/hr)) using your Ninernet credentials:

When you reach the UNC Charlotte Employee Portal, the first screen you will see is ‘Your Action Items’. Once here, click ‘My Employee Reviews’ on the left navigation or via the ‘Performance’ dropdown to take you to the ‘Reviews Dashboard’.

The ‘Reviews Dashboard’ will appear for you to locate the specific employee and associated program from which you want to copy the Performance Plan. Click the employee’s name to access their performance plan.
You can view any completed or open item from the ‘Overview’ screen at any time. In this case, to begin copying this particular employee’s Performance Plan, click on the ‘Plan’ link on the left navigation.

It is **not recommended** that you select/check the box that reads “Copy Plan to selected employees and complete the associated Step…”

If this is selected, the plan will go directly to the Next-Level Supervisor for approval. You should review the copied performance plans prior to this to ensure all elements in the plan have copied over correctly.

Click the ‘Copy Objective Plan’ button to proceed.

The performance plan has now been successfully copied to the employees you selected. Click the employee’s name to review the plan and make any necessary edits, and finalize.

You can also find the plans you copied in your Actions Items box. Get there by clicking the ‘Home’ button at the top of your screen. All copied items will still have the following description - “Performance Plan Creation” until you go into the plan and click the ‘Complete’ button on the final tab of the plan document.
When you are satisfied with the plan click the ‘Complete’ button on the ‘Evaluation Methods’ tab. This will send the plan to the Next-Level Supervisor for review.
Next-Level Supervisor Approves Performance Plan

*(Video available)*

Once the Supervisor has completed the Performance Plan, this information will route immediately to the Next-Level Supervisor for consideration/comments.

To review and approve an SHRA Performance Plan, log into NinerTalent (http://jobs.uncc.edu/hr) using your NinerNet credentials:

Once logged in, click the ‘…’ in the left hand corner to initiate the dropdown and click ‘UNC Charlotte Employee Portal’.
When you reach the UNC Charlotte Employee Portal, the first screen you will see is ‘Your Action Items’. This will be a list of items that require your attention. Note any due date(s) indicated.

To review the Performance Plan drafted by the supervisor, select the item for the desired employee with the description ‘Next Level Supervisor Approves Performance Plan’.

Review the Performance Plan for accuracy and consistency. (Note: The Next-Level Supervisor should ensure that there is consistency in goals across similar positions and that the individual goals directly or indirectly relate to the unit’s strategic goals in the current cycle.)

Plan

Please review the employee’s Performance Plan for accuracy and to ensure the weights for all goals are calculated correctly and are consistent with similar positions across the unit. If there are revisions needed, enter comments and select “Return”. If the plan is correct, select “Approve” to forward the plan to the employee for acknowledgment.

When you get to the bottom of the page you can choose to ‘Approve’ the Plan or ‘Return’ it to the supervisor for revision. If it is necessary to return the Performance Plan back to the supervisor, you must enter your instructions into the comments box at the bottom of the form prior to returning it.
If you attempt to ‘Return’ the action without writing a comment in the box, you will see the following at the top of the screen:

Comment can’t be blank

Once the Return action is completed correctly, you will see the following at the top of the screen. It is now back in the supervisor’s queue to make the necessary corrections.

The Document has been sent back for revision

Once you have received a Performance Plan that you agree with you will ‘Approve’ the action.

Note: Once you click the ‘Approve’ button, the Supervisor Appraisal will be sent to the employee for review and acknowledgement.

Comment

To return to the NinerTalent site, click the ‘Go to UNC Charlotte User Site’ button in the top right hand corner.
Revise Performance Plan

If you need to update or correct information in your employee’s Performance Plan, but it has already been approved by the Next-Level Supervisor, contact Paulette Russell at P.Douglas@uncc.edu or Ext. 70660 (or the Employee Relations Office at Ext. 70662) to request that the action be put back in your queue for revision. You will see the ‘Performance Plan Creation’ appear back in your ‘Action Items’ when you enter the employee portal.

Once, it has been put back in your queue use the “Create SHRA Performance Plan” process steps to revise and complete the performance plan.

Once you finish revising the plan, your changes will go back to the Next-Level Supervisor for approval, then back to you to meet with your employee about the changes made, and last to the employee to “Acknowledge” the changes.
Off-Cycle Reviews

(Video available)

Off cycle reviews are any performance reviews that specifically tell an employee how they would be rated at a specific time in the cycle that it is not the annual performance appraisal. Off-cycle reviews include probationary, interim, transfer, employee-requested, management-driven, and other summary performance appraisals that are used to help keep the employee on track with meeting their goals and clearly state their current rating.

For probationary employees, probationary reviews (or off-cycle reviews) are required quarterly (April, July, October, and January). These reviews should follow the timeline of the Talent Conversations in the NinerTalent STAKES Cycle.

For permanent employees, off-cycle reviews should occur three (3) times a year (July, October, January). This includes:

- Quarterly check-in for July
- Interim review in October (required if employee received a disciplinary action in the current cycle or had any rating of “not meeting expectations” in the last performance cycle)
- Quarterly check-in for January
To add an Off-Cycle Review, log into NinerTalent (http://jobs.uncc.edu/hr).

Once logged in, click the ‘…’ in the left hand corner to initiate the dropdown and click ‘UNC Charlotte Employee Portal’.
The steps to initiate an off-cycle review depend on if it is the employee’s first off-cycle review in this performance cycle. Follow the instructions that fit your scenario:

1. Employee’s first off-cycle review in the current performance cycle
2. Employee’s second or subsequent off-cycle review in the current performance cycle

Scenario 1. Employee’s First Off-Cycle Review in Current Performance Cycle

When you reach the UNC Charlotte Employee Portal, the first screen you will see is ‘Your Action Items’. This will be a list of items that require your attention.

To create the first off-cycle review for the performance cycle, select the item for the desired employee with the description ‘Off-Cycle Review’.

Note the Off-Cycle Review has no due date; however, you should be aware of the timeline for any off-cycle review (or Talent Conversation) that applies to your employee and enter it into this program accordingly. The NinerTalent STAKES timeline or cycle can be found at the beginning of this section.
Once the Off-Cycle Review is selected, the following screen will appear. Here you will enter the following information.

- **Date of Review**
- **Off-Cycle Review Type**
- **Any Institutional Goal areas where employee needs to show improvement**
- **Is the employee meeting expectations overall?**
- **Comments**
- **Issues/areas for improvement**
- **Deliverables to aid in improvement**

When you complete your first off-cycle review in the current performance cycle you will click the ‘Complete’ button. At this time the review will go to your employee for Acknowledgement. Once the employee has acknowledged the review, it will be available for you to go back in to the same program and add another review when appropriate. Instructions on how to add the second or subsequent off-cycle review may be found in the instructions on the next page.
Scenario 2. Employee’s Second or Subsequent Off-Cycle Review in Current Performance Cycle

When you reach the UNC Charlotte Employee Portal, the first screen you will see is ‘Your Action Items’. This will be a list of items that require your attention.

The second and subsequent times you enter an off-cycle review for your employee, you will have to search for the off-cycle review by clicking on to the ‘My Employees’ Reviews’ link at the top left of your screen. Past and current performance review cycles documented in the NinerTalent system can be found here.

When the screen below appears, it will automatically show you the current performance cycle programs which include the SHRA STAKES Review and Off Cycle Review for each of your employees which are currently open. You can also use the search bar or the Program filter to find the desired program.

Select the employee for whom you wish to create an off-cycle review by clicking their name.
When the following screen appears choose the ‘Plan’ link in the left navigation pane or click Step 1, the ‘Off Cycle Review’ link, to open the off-cycle review.

![Image](image.png)

Once the Off-Cycle Review is selected, the following screen will appear. You will see the previous off-cycle review(s) you entered this cycle. In order to add your new or most recent off-cycle review you should click the blue ‘Actions’ button and select ‘Revise’.

![Image](image2.png)
After ‘Revise’ is selected, the following ‘Add Entry’ option will appear beneath the last off-cycle entry that was made. Click the ‘Add Entry’ button to open up a new entry field and begin drafting your next off-cycle review.

When you are finished entering your new off-cycle review click ‘Revise’ at the bottom of the page to complete the action and send it to your employee for acknowledgement.
Using Progress Notes

At any time after your employee has acknowledged his/her performance plan, you may use the Progress Notes functionality to track individual accomplishments, recognition, areas for improvement, and/or supervisor/employee coaching sessions.

Progress Notes are your personal records to assist with completion of the performance evaluation process and/or off-cycle reviews (performance check-ins). They are employee-specific, and are only viewable by the employee if you share the item with them via the share button. However, all documented items should be professional and performance-related.

(\textit{Note}: Progress Notes are not intended to serve as formal disciplinary action – only documentation of performance-related issues and/or discussions. Formal disciplinary action must be initiated outside of this system.)

To add Progress Notes, log into NinerTalent (http://jobs.uncc.edu/hr).

Once logged in, click the ‘...’ in the left hand corner to initiate the dropdown and click ‘UNC Charlotte Employee Portal’.
To document a progress note for yourself or any of your employees you can click the ‘Progress Notes’ button at the top of your screen.

Once selected, the following screen will appear. Click the blue ‘Create Progress Note’ button on the right side of your screen.

Enter all relevant information, add an attachment (if desired), and click ‘Create’.

The next tab section indicates “Overall Performance”. On this tab, you will provide comments regarding the employee’s overall performance during the cycle. **PLEASE READ ALL OF THE INSTRUCTIONS ON THIS PAGE!** There are new scoring guidelines for SHRA appraisals, so please familiarize yourself with this information.

**Note:** All fields must be completed by the supervisor regardless of the overall rating. This process step may not be marked as ‘Complete’ without this required information.
Remember: Pursuant to the UNC system-wide SHRA Performance Appraisal policy, employees who receive a rating of “Not Meeting Expectations” on any goal, or for whom a formal disciplinary action (written warning or greater) was initiated during the current cycle, may not receive an overall rating of “Exceeding Expectations”.

Therefore, the “Score in progress” above will reflect the Overall Performance Rating UNLESS:

- The score is “Exceeding Expectations” AND
- The employee was issued a disciplinary action during the cycle and/or has a rating of “Not Meeting Expectations” on any goal in this appraisal.

In this scenario THE EMPLOYEE’S SCORE SHOULD BE DOCUMENTED AS “MEETING EXPECTATIONS” in accordance with our policy.

(For more information on these scoring guidelines, please consult the UNC SHRA Performance Appraisal Policy.)

Required fields are indicated with an asterisk (*).

Overall Performance Comments

Please enter comments regarding the employee’s overall performance and select “Complete” when you are finished with your evaluation.

* Overall Performance Comments

* Was there a formal disciplinary action initiated for this employee after April 1st, 2017?

* Did you enter a rating of “Not Meeting Expectations” on ANY goal (institutional or individual)?

* Does your employee’s “Score in Progress” reflect that he/she is “Exceeding Expectations” even though you answered “Yes” to one or both of the questions above?

**Note:** The Next-Level Supervisor should ensure that all required information, including comments for Exceeding Expectations and/or Performance Improvement Plan information is completed prior to marking the Supervisor Appraisal as “Approved”. If items are missing, please say what actions need to be completed in the comments box and choose the ‘Return’ action.

If you do not enter comments in the box prior to clicking ‘Return’, you will see the following:

Once the Return action is completed correctly, you will be brought to the following action screen and it will read - “The Document has been sent back for revision.” It is now back in the supervisor’s queue to make the necessary corrections.
Note: Once you click the ‘Approve’ button, the Supervisor Appraisal will be sent to the employee for review and acknowledgement.

Revise Employee Appraisal

If you need to update or correct information in your employee’s annual appraisal, but it has already been approved by the Next-Level Supervisor, contact Paulette Russell at P.Douglas@uncc.edu or Ext. 70660 (or the Employee Relations Office at Ext. 70662) to request that the action be put back in your queue for revision. You will see the ‘Supervisor Appraisal’ appear back in your ‘Action Items’ when you enter the employee portal.

Once, it has been put back in your queue use the ‘Supervisor Appraisal’ process steps to revise and complete the employee appraisal.

Once you finish revising the appraisal, your changes will go back to the Next-Level Supervisor for approval, then back to you to meet with your employee about the changes made, and last to the employee to “Acknowledge” the changes.
